Dear Sir / Madam,

I am writing to express my interest in the Domain Architect position at Orsted. As a seasoned Architect with proven track records, carrying more than 10 years of experience with Software Professional Service and Software Development within the Telecommunication Industry. I am genuinely excited about this opportunity for enabling me to expand my practice within the Energy Industry and I look forward to contribute towards the Green Energy Missions championed by Orsted.

Currently at Persistent Systems Malaysia Sdn Bhd, my practice includes cross-functional and cross-domain engagements. I conduct Client facing activities with various stakeholders. I lead a team of Engineers in providing technical guidance and develop reusable architecture patterns. I collaborate with Vendors to ensure specifications and delivery objectives are met. I work with Project Office Members regularly to ensure adequate Tasks, Sprints, and Stories to archive Milestones. I also spearhead pioneer and turn-key deployments. I can be hands-on when circumstances require.

I have always been passionate about Technology and I value highly of collaborative environment. Hence, I trust that my skill sets, experience and values can propel me to make valuable contributions at Ostred in the pursuit of Green Energy endeavors.

Thank you for your time and I look forward to hear from you.

Yours Faithfully,

Yeong Wei, Lai
